

Greetings {Contact_First_Name},

Happy New Year!!!!

We hope this message finds you well. We are reaching out to invite you to participate in one of our committees here at Urban League Young Professionals of Metropolitan St. Louis.

Committees are a great way to get involved and make a difference within our organization. They provide an opportunity for members to collaborate and contribute their ideas and expertise towards a common goal. By participating in a committee, you can help shape the direction and success of our organization, while also gaining valuable experience and building your professional skills.

We have several committees currently seeking new members, including the Professional Development Committee and the Membership Committee. If you are interested in joining this committee or learning more about other opportunities, please reach out to us at President@ulyp-stl.org.

We hope you will consider getting involved and making your voice heard. Every member's participation is valuable and we look forward to working with you.

We also have a need for volunteers of an temporary committee, to help develop and agenda for the 2023 Join Week events from Feb 5 through Feb 12. The cornerstone for this year will be hosting a networking event. If you are interested in helping to plan this event please contact us at VicePresident@ulyp-stl.org.

Going forward most of our communication will occur through our discord server that we encourage everyone to join at <https://discord.gg/X8PxnN3RMu>.
